Crail Community Hall

Newsletter

Issue no 10/2026

Welcome to the Crail Community Hall Newsletter

As the year draws to an end, we have a few highlights left at the hall.

Two favourite Christmas movies are screened on 20 December. Take your pick or make it a double header. Bring your own food and drink and have fun. https://www.ticketsource.com/crail-community-partnership.

Now is probably the time to start thinking about getting a quiz team together. If you want to join us on one or more of our 2027 Quiz Nights just email crailcommunityhall@gmail.com for a registration form. The format on the nights will be slightly changed as we have one of our previous teams setting the questions. This will be exciting and challenging. So don't miss out on three great nights to enjoy, compete and exercise your brain.

For the New Year we have already scheduled two National Theatre Live screenings and more children and Scottish films from January to March.

Most of the regular fitness classes will start again after the holidays. Make sure you secure your space!

Thanks to everybody who supported us in 2026 through volunteering, hiring the hall and attending regular classes and events. We had 7 weddings, 7 private parties, 12 commercial and 49 community users – more than 6 times the amount we had when we started in 2021.

We hope you'll enjoy the remaining 2026 event. We are looking forward to welcoming you all again in 2027.

Have a peaceful Christmas and a very happy New Year!
