3/2021

Welcome to the Crail Community Hall Newsletter!

Christmas at the Hall was a big event with 20 stall holders presenting a great variety of beautiful arts and crafts to a steady flow of visitors over the two days. The Christmas Cafe was well received and Monica's delights were in high demand. The kids had a fun time with cake decorating and crafts and the Crail choir added to the festive atmosphere on the Saturday performing two taster sessions of their Christmas repertoire. The weekend concluded with a Christmas Concert of two halves featuring the Madrigals and The Other Guys from St Andrews University. The audience loved the mixture of classical music before the interval and contemporary songs delivered in a very unique way after the break.

Another musical highlight still to come is the Crail Choir performing their Christmas repertoire for charity at the hall on the 15th after missing out last year.

After that Christmas will be all wrapped up for CCH and we hope you had as good a time as we did.

If you haven't registered your team for the the Crail Quiz Nights hurry as there are only a few slots left to compete for the title of Crail's best quizzers.

Please remember that all are welcome to pop into the Coastline Friendship Club for a soup, a cuppa and a blether every second Friday again in the new year.

2022 will bring a lot of innovative and interactive events including a Valentine's Murder Mystery Dinner, a 'crime investigation' where the audience is the Jury, and our first music event of 2022, a Jazz brunch in March as well as a two day Easter Fayre. More is in the planning, so watch the space!

For tickets and further information please follow the links from the events page on our website.

We wish you a very happy Christmas and all the best for the New Year!

Thank you for your support and see you again in 2022!
