Welcome to the Crail Community Hall Newsletter

There is an autumnal chill to the air now and some of the outdoor activities are starting to move back into the Community Hall for the winter months. Various classes for children and adults are available. Take your pick from the list on the right. A new addition for this winter, starting on 8 October, is a Boxing Fitness Class with Aileen. Why not try one or two of those?

October is packed with theatre and music screenings ranging from the Tony Award-Winning Broadway Show *Girl from the North Country* reimagining 20 legendary songs by Bob Dylan as they've never been heard before to the *25th Anniversary Show of Riverdance* as well as *Golden Boy*, part of our regular National Theatre Live programme.

If you like a bit of dancing the Day Disco on 24 October might be just the right thing for you - over 30s only!

November brings back our annual Christmas Fayre with a mixture of new and all time favourite stalls. A great opportunity to buy your Christmas cards and presents in one place. Sheila will also be back running the café on both days and the Primary School will treat us to a performance on Sunday.

Now is probably the time to start thinking about getting a quiz team together if you want to join us on one or more of our 2027 Quiz Nights.

Remember that the hall is available for private party hire, fundraising and community events as well as sport sessions such as Badminton, Table Tennis and Pickleball.

We are looking forward to welcoming you at Crail Community Hall!

See you soon!
