Welcome to the Crail Community Hall Newsletter

We had an exciting 'Night at the Races' creating a real 'day-at-the-races-feeling'. The competition was breathtaking, and the betting matched the enthusiasm of the guests. There was a lot to celebrate at the after-race disco! If you haven't been there, make sure you are not missing out on our next outstanding events.

November offers a great selection of events for all interests.

We'll start the month's events by welcoming our first guest speaker Antonia Laurence Allen, PhD, Regional Curator for the National Trust for Scotland. This is followed by a busy weekend featuring Phil Differ and Elaine Malcolmson, two renowned comedians, at our 'Comedy Night'.

Sunday the 5th sees the continuation of our winter afternoon concerts with some light Jazz played by Ian Millar and Dominic Spencer. Our first concert of the series featuring the Bruadar Duo was much liked by everybody.

The following weekend is jam-packed with something for everybody and starts with a Storytelling night with a Scandi-noire theme 'Death Stories - A portrait of Death told through folklore and song'. We couldn't have a bigger contrast to that on Saturday with our popular 'Party Night' returning.

On Sunday the Hall supports the Fundraising efforts for the Cellardyke Tidal Pool.

Tickets for all our events are available through <https://www.ticketsource.co.uk/crail-community-partnership>.

Further information on all our events can be found on our website <https://www.crailcommunityhall.co.uk/blog> or follow us on facebook <https://www.facebook.com/>
