## Welcome to the Crail Community Hall Newsletter

We are nearly at the end of the Hall's own events until we start our autumn/ winter programme. Our French themed Sunday afternoon in March went down a treat and attracted a big audience who had loads of fun. There are still some more highlights to come before the focus of the Hall shifts to private parties, weddings and events organised by community groups to raise funds for their varied activities. Among them are the annual Air Ambulance Coffee Morning, Seaqueen fundraisers, Crail Festival and indoor market, and much more.

There is also some news of a different kind. Crail Community Hall has entered into an agreement with National Theatre Live to screen a series of National Theatre performances at the Hall. These are all based on live performances and will be delivered by using high quality sound and visual equipment, creating an almost live theatre atmosphere.

The first play to be screened will be *Vanya*, a radical new version based on Anton Chekhov's play *Uncle Vanya*.

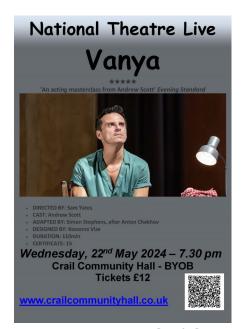

The screening of several more plays throughout 2024/2025 is planned.

Due to high demand Liz Jones & Broken Windows are returning to Crail on 25th of May. Real songs, original music, unpolished natural energy. A six piece down to earth band of eclectic, world toured and well versed musicians, fronted by an idiosyncratic driving force vocalist and songwriter

Don't forget the hall is available for private celebrations throughout the year.
