

## Welcome to the Crail Community Hall Newsletter

It's nearly the end of the year already. The hall had a fantastic year which saw brilliant events including concerts, magic shows, comedy, storytelling and much more. We have been doing well with increasing the number of weddings and private parties which are a necessary income-stream for the hall, ensuring that we can pay the bills. We have also been able to host more community groups providing lunches, fitness activities, music, dancing and arts as well as local charities who hired the hall for their own events to raise funds for their causes.

The final weeks of the year will feature the Hall's Christmas Fayre and Concert on 2-3 December and an A Cappella concert the week after. Don't miss these opportunities to get into the festive spirit and to support Crail Community Hall by buying tickets.

We continue in our Christmas Concert tradition, featuring two groups from St Andrews University who's outstanding quality and ability will make, yet again, for an amazing concert night. On Sunday evening the large hall will be resounding with joyful and happy music ranging from traditional Christmas songs to modern seasonal tunes. This will be a concert of two halves, the first featuring an A Cappella performance by 'The Accidentals' and in the second half we will welcome 'The Collective'. Both groups are renown for their quality performances and follow in the footsteps of 'The Other Guys' and 'The Madrigals' which have been a great success in the past two years at Crail Community Hall.

Tickets for all our events are available through <https://www.ticketsource.co.uk/crail-community-partnership>. and further information can be found on our website <https://www.crailcommunityhall.co.uk/blog> or follow us on facebook <https://www.facebook.com/>
