## Welcome to the Crail Community Hall Newsletter

We had an exciting October at Crail Community Hall. Despite the rain on the 8th the *Bruadar Duo* made it to the Hall and found an appreciative audience. Their music certainly was a welcome distraction from the weather. Our guests from Hockerill College commanded the Hall two weeks later by volume and the quality and diversity of their performance. It's always a very different experience having an orchestra playing!

If you didn't make it to any of our events so far, there is more to come.

November offers a great selection of events for all interests.

We'll start the month's events by welcoming our first guest speaker Antonia Laurence Allen, PhD, Regional Curator for the National Trust for Scotland. This is followed by a busy weekend featuring Phil Differ and Elaine Malcolmson, two renowned comedians, at our *'Comedy Night'*.

Sunday the 5th sees the continuation of our winter afternoon concerts with some light Jazz played by Ian Millar and Dominic Spencer. This is not only for Jazz enthusiasts, but easy listening, and just right for a lazy Sunday afternoon.

The following weekend is jam-packed with something for everybody and starts with a Storytelling night with a Scandi-noire theme *'Death Stories - A portrait of Death told through folklore and song'*. We couldn't have a bigger contrast to that on Saturday with our popular *'Party Night'* returning, and on Sunday when the Hall supports the Fundraising efforts for the Cellardyke Tidal Pool.

Tickets for all our events are available through <https://www.ticketsource.co.uk/crail-community-partnership>. and further information can be found on our website <https://www.crailcommunityhall.co.uk/blog> or follow us on facebook <https://www.facebook.com/>
