Welcome to the Crail Community Hall Newsletter

We had a really busy summer so far with the Hall being used for a lot of local events, as polling station and for filming as well as a lot of weddings.

Filming of the interviews for a new episode of *Saving lives at Sea* took place in the large Hall. The broadcast is scheduled for 2025, but a date has not been confirmed. As a lot of props were used the hall won't be recognisable, but it was still nice to have been selected as a filming venue.

All August weekends are fully booked with weddings and there will be further weddings taking place in September and October. Additionally, a number of events organised by community groups will happen at the hall until the end of the year. Watch out for their separate announcements.

Dates for your diary are the 9th and 13th of October with an amazing performance of Judie Comer in an Empire Street Production of *Prima Facie* and an Opera Night supported by an eleven-piece orchestra.

Pre-planning for our winter and spring events is under way. There will be a series of Sunday afternoon concerts and quiz nights.

Don't forget that the hall is available for hire for private celebrations of all kinds and various group sizes. For availability and cost please email crailcommunityhall@gmail.com.
