Welcome to the Crail Community Hall Newsletter

After an initial problem with the survey provider we had a good response to our Silent Movie Survey. If you are interested in voting for the films on offer you can still do so through <https://www.crailcommunityhall.co.uk/post/silent-movie-night-survey>. The first screening will take place in October 2025. It will be musically accompanied by a small Orchestra of young Spanish musicians.

There will be a lot happening at the hall until then, though. The next National Theatre Live screening is the world premiere stage adaptation of Stanley Kubrick's comedy masterpiece *Dr Strangelove*, featuring Steve Coogan in multiple roles. This will be followed by two screenings of *A Streetcar Named Desire* in June and July.

Our Sunday afternoon concert series will conclude on April 13th with a Jazz & Gin event. Enjoy Bancroft & Lyne playing a mix of original contemporary jazz-based songs alongside reimagined jazz classics and covers of songs by the likes of Suzanne Vega and Joni Mitchell. This will be followed by a Gin Tasting with Tayport Spirits.

Don't miss our Easter Fayre with loads of new and exciting crafters from Fife and beyond. Whoopie bakes will make sure that you are well fed with tasty savoury dishes and delicious cakes.

In July the hall will host some of the many Crail Festival events including the Crail Festival Market and the Kirk Sale.

Further information and ticket links can be found on our website <https://www.crailcommunityhall.co.uk/blog> or follow us on facebook <https://www.facebook.com/> Tickets for all our events are available through <https://www.ticketsource.co.uk/crail-community-partnership>
